Following the letter dated 21 September 2023 by the Human Resources of the university of Bristol, which included the absence record from October 2018 to October 2023 required for my Indefinite Leave to Remain application, please find the updated list of trips outside the UK from October 2023 to the present.

Additionally, please note that the second trip mentioned was an emergency family visit that took place after the naturalisation forms were submitted on 07 October 2024.
