To the right of this image is a large advertisement for Disney+. It features the Disney+ logo and the text 'New season Now streaming' and 'From £4.99 a month'. EVIDENCE OF EXCHANGE RATE

From <https://www.xe.com> on the 29.07.2024:

The screenshot shows the Xe Currency Converter interface. At the top, there are navigation links for Personal, Business, Send Money, Converter, Currency API, Tools, Resources, Sign In, and Register. The main title is "1 GBP to EUR - Convert British Pounds to Euros" with a subtitle "Xe Currency Converter". Below the title, there are four buttons: Convert (with a magnifying glass icon), Send (with a paper airplane icon), Charts (with a line chart icon), and Alerts (with a bell icon). The "Convert" button is highlighted with a blue border. The conversion form has fields for "Amount" (set to £1.00), "From" (set to GBP – British Pound), and "To" (set to EUR – Euro). Below the form, it says "1.00 British Pound = **1.1851064 Euros**". It also shows the exchange rate "1 EUR = 0.843806 GBP". A note states: "We use the mid-market rate for our Converter. This is for informational purposes only. You won't receive this rate when sending money. [Login to view send rates](#)". At the bottom right are buttons for "Track currency" and "View transfer quote". A small note at the very bottom right indicates the conversion was last updated on Jul 29, 2024, at 10:53 UTC.
